ROBOTIC POOL CLEANER

iGarden
K Plus Series

K+12 | K+15

Smarter pool cleaning with longer battery life —
fully cordless, fully intelligent.

100% Cordless Freedom
Smart inverter battery technology delivers extended runtime with intelligent power management — no cord, no compromise.

3D "S" Path Intelligence
Intelligent route planning optimises coverage across the pool floor, walls and waterline.

Climate Care Certified
Energy-efficient inverter technology means fewer charging cycles, longer operating time and lower energy use.

Up to One Month Between Charges*
Extended battery capacity and intelligent scheduling deliver longer periods between charges with less hands-on maintenance.

App Control + AI Timer
Schedule regular cleaning cycles with Bluetooth, Wi-Fi and intelligent 24H / 48H / 72H timer settings.

*Up to one month between charges applies to K+15 under appropriate scheduled cleaning conditions. Actual frequency varies with cleaning mode, pool size, debris load and usage.

CLIMATE CARE CERTIFIED

PRODUCT SPECIFICATION

iGarden K Plus Series

K+12 | K+15

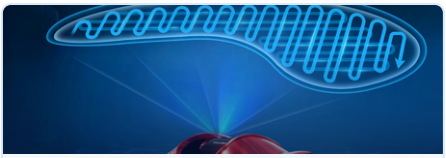

3-in-1 | Top-Load | All Surfaces | < 10 kg | 5 sec

KEY FEATURES

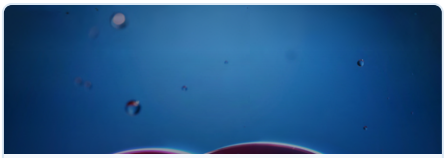

360° Pool Coverage

Intelligent route optimisation for efficient pool coverage across floor, walls and waterline.

3D "S" Path Navigation

AI-guided route planning for systematic, efficient cleaning.

Supercar-Inspired Design

Nano-coated bodywork built to resist salt, UV and pool chemicals.

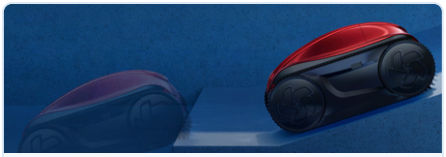

Drains Fast. Lifts Light.

Self-drains in 5 seconds. Comfortable lift weight under 10 kg.

Large-Capacity Basket

4L basket with 18 µm filtration for extended cleaning and easy maintenance.

Step Over Obstacle

Designed to navigate pool steps and obstacles without interruption.

EXCEPTIONAL BATTERY ENDURANCE

K+15 · UP TO 15H FLOOR RUNTIME

Up to 15 hours of floor-cleaning runtime on the K+15, combined with AI Timer scheduling and intelligent inverter power management for significantly longer periods between charges.

TECHNICAL SPECIFICATIONS

PERFORMANCE	K+12	K+15
Floor Only Runtime	12H	15H
Floor + Wall + Waterline	7H	8.5H
Turbo + Floor Runtime	6.5H	8H
Turbo + All-Surface Runtime	6H	7H

SHARED SPECIFICATIONS			
Charging Time	9H	Cleaning Coverage	Floor · Walls · Waterline
Cleaning Cycles	1H · 1.5H · 2H · MAX	Filter Basket	4L
Filter Density	18 µm	Suction Flow	20–28 m^3/h
Connectivity	Bluetooth + 2.4 GHz Wi-Fi	AI Timer	24H · 48H · 72H
Max Pool Size	15 m × 8 m	Self-Drain	5 sec
Lift Weight	<10 kg	Warranty	3 Years
